

4 May 1962

MEMORANDUM FOR: Director, Office of Technical Services
Department of Commerce

THROUGH: Chief, Document Division/OCR

SUBJECT: Transmittal of Unclassified Report Entitled,
"Soviet Research and Development on Energy
Storage Transfer, and Conversion in Organic
Materials"

REFERENCE: Memorandum of Understanding Between OTS and CIA,
dated 6 Jan 59, CONFIDENTIAL

1. In accordance with the terms of the referenced memorandum, we are forwarding the subject publication for release to the public at large.

2. This Office recommends that a blanket request be made for use of information extracted from Chemical Abstracts. In addition, we have prepared a list of references which may be subject to copyright restrictions and require releasing authorization from the owners.

3. Will you please furnish CIA with 24 complimentary copies of this report when it is published.
